Job Recruitment Questionnaire

ADDITIONAL QUESTIONS FOR APPLICANTS

As part of the recruitment process, CVAG is asking applicants to briefly answer the following five questions. The five answers should not exceed two pages, using standard font sizes and page margins. The answers should be submitted with the required application and resume.

1. Helping get individuals and families off the streets and into homes is a laudable profession. What inspires you to work in this field?
2. Describe a time when you had difficulties working with a client. What made it challenging, and how did you stay emotionally distant while helping this individual?
3. How do you feel about interacting with people with who have a history of substance abuse and/or behavioral health struggles?
4. If a homeless individual requests a resource, but you aren't overly familiar with that particular resource, how would you go about locating the right options to connect this client with services?
5. Can you describe a time when your initial impressions about a homeless person proved to be incorrect?
